**\* Daily TPs' Hoon Dok Words \***

"True Parents are the standard of the ideal world. Thus, their work must begin. True Parents come to connect the people of the world in one heart, to teach what is good and what is evil. They come as the Parents to set a new tradition. In so doing, they will form a new kinship and see the world begin anew. To do this, the Lord will create a new family. This is the returning Lord to whom Christianity refers."
