Hello, brothers and sisters,

On Thursday, July 9th about 40 brothers and sisters from the Las Vegas community held a gathering to unveil the Billboards introducing the "Heavenly Parent's Holy Community" and "Mother of Peace", True Mother's Memoir in front of the "Welcome to Las Vegas" sign at 10 A.M..

It was a very joyful and exciting moment to see our beloved True Parents and their teaching on Las Vegas Boulevard which is the busiest road in Las Vegas.

I would like to express my sincere gratitude to all of you who attended the event despite the hot weather.

Heavenly Parent and True Parents blesses you!

Rev. Ken Doo
