Dear brothers and sisters,

True Mother's short visit to Las Vegas was full of miracles. First, during her five-day visit, True Mother hosted the WCLC convocation and Rally of Hope centered on world Christianity and America. Second, as she was hosting this rally, a United States Federal Courts of Appeals confirmed a judgment in favor of FFWPUI against UCI. Third, while in Las Vegas, True Mother's health improved significantly more than it has for the past months. True Mother felt much stronger than before. This was indeed a miracle. These miracles are all due to your prayers and sincere devotion.

Thank you for your devotion and efforts.

In the midst of all these developments, True Mother took time to guide our continental leaders as well as our district leader. True Mother emphasized that 1/3 of the world's population must know Heavenly Parent and True Parents by 2027. She gave us the goal of blessing Las Vegas. She emphasized that the most effective way to achieve this goal is to use the foundation of Christianity. True Mother said that in Las Vegas we should light the flames of this activity. Las Vegas is a place that True Parents love specially. True Mother said that because of the importance of providence, True Parents moved their residence from New York to Las Vegas. Therefore, we should become model families and an exemplary community in every way standing as a beacon for America.

Despite its size, our community is a vibrant and trail blazing community. We have already set an example in many ways for other communities, namely with our offerings, mobilization, Blessing and church growth. 88 Christian ministers from Las Vegas attended the WCLC convocation and Rally of Hope. This is more than any other state in America. In addition, Las Vegas CARP is the crown jewel which has helped revitalize the CARP movement around the world. All of this is due to the blessings of True Parents.

If we plan 2021 in gratitude and with True Mother's guidance in our hearts, we will become filial sons and daughters who can give joy to Heavenly Parents and True Parents.

So, on the eve of the coming New Year, I would like to prepare a special time for you to report your new year plans and goals for 2021 to Heavenly Parent, True Parents, and your ancestors. Therefore, I am asking you to prepare new year's resolutions and report them to Heavenly Parent, True Parents, and your ancestors by gathering at Cheonhwa Gung on December 31, 2020 at 11:00 pm. From today on, I hope that we can all take time to prepare our resolutions for the new year.
