

Subregion 4 FAMICON - Seven visions and goals from our National Headquarters

Ken Doo
February 4, 2021

Dear brothers and sisters,

It has been 33 days since 2021 began. Now, the New Year of Cheon Il Guk is coming. We all started the new year by writing our resolution on New Year's Eve. I believe you have had a good time re-examine the resolutions you have made over the past month. As the New Year of Cheon Il Guk begins, we must turn those resolutions into action and make them part of life in 2021. I hope that Heavenly Parents and True Parents are proud of you becoming citizens of Cheon Il Guk.

We have received seven visions and goals from our National Headquarters. This Saturday, we will have Subregion 4 FAMICON . The goal of this convocation is to help us set our sub-regional goals and plans.

On February 13th, following this subregional FAMICON, we will have a local convocation to develop the goals and plans for the Vegas community. I would like to invite all of you to the local FAMICON. Please mark your calendars and stay tuned for more detailed information which will be delivered to you through the following e-news.

Sincerely,

Rev. Ken Doo
