Dear, brothers and sisters,

It is with great excitement that we invite you to the online 5th Rally of Hope, broadcasting live at www.RallyOfHope.us this coming Saturday, February 27 at 4:30 p.m. Las Vegas Time. Hear from world leaders and influencers who will address key global issues that affect you and your community. Discover how you can make a powerful impact by becoming an ambassador of change. At this event sponsored by the Universal Peace Federation, you will experience the power of faith and unity-and connect with others who like you want to make a difference.

Have you ever thought:

- “I want to make a positive difference in the world, but where do I start?”
- “I know one voice can have an impact, and I know my voice matters, but where can I connect with other changemakers?”
- “How can I reach trusted leaders of action when I feel isolated and restricted in the pandemic?”

If these questions resonate with you, join us for this free event which empowers everyday citizens seeking to make a difference by transcending political, religious, racial and ideological boundaries to effect meaningful change. Anyone can become part of this transformational movement of presidents and first ladies, parliamentarians, faith leaders, the media, scholars, artists, business leaders and citizens like you who embrace freedom, peace, and unity.

Universal Peace Federation Co-Founder and Rally of Hope host Dr. Hak Ja Han Moon will share a special message in her Founder’s Address. An international roster of Keynote Speakers offering real solutions to our most critical challenges includes heads of state, two Nobel laureates, and a COVID-19 vaccine developer, among others.

- Cape Verde President Jorge Carlos Fonseca
- Guyana Prime Minister Mark Phillips
- U.S. Vice President Michael Pence (2017-2021)
