"Seven years after 1945 brings us to 1952. I was responsible to hold the Enthronement Ceremony for the Kingship of God in 1952, to unite the country, and to take command of heaven and earth by the time I was forty. However, due to Christianity's opposition, I was unable to do so. I had found spiritual sons and daughters who could be in the position of the bride..."

Brothers and sisters,

Today, I would like to convey some good news to you. First of all, True Mother's coming to Las Vegas which is the best news for us.

Next, over the past one year and two months, due to COVID, we have not been able to see each other. Now, many people are getting vaccinated and we are gradually going to have a normal life. Therefore, the Las Vegas community is also beginning to have in-person service while complying with local laws. So, on May 16th this week, we will have our first in person worship service.

This week, Brother Bill Starr, who has served as the pastor of the Las Vegas Church for the past 13 years, is moving to San Diego, let us take a moment to hear his testimony about the history of Las Vegas for the past 13 years. I believe many of our brothers and sisters are curious about the history of Las Vegas. So, Let us make a final greeting to Brother Bill as he leaves Las Vegas and listen to his testimony and the history of Las Vegas. After the worship service, the church will provide Korean food.

Starting this week, in-person worship services and live streams on the Internet will be provided together. Those who cannot come to church will worship together on Facebook or zoom.

All those attending church services are required to wear masks.

Inviting your family and friends for June 5 has been made easier with the new resource page on peacestartswithme.com, where you can find flyers in multiple languages, the video link, and more.

In addition, the FFWPU-USA HQ team developed a call script to help everyone outreach to members, friends and guests, and even new contacts:
