Mimi Morse,
President

Gloria Sato
Vice-president

Midori Fugukima
Treasurer

Adela Maimot
Fundraising
Leader

Heidi Iseda
Administration

Advisors:
Rev. Ken Doo

Song Doo

Andy Compton

A huge thank you to all of you sisters, who joined our first organizational meeting in the sanctuary after church lunch today!

Mrs. Doo opened the meeting with a prayer. Mimi Morse then welcomed everyone and explained that the purpose and formation of the group was inspired by True Mother, and that its primary focus is to be of service to the LVHC. She further said: "We will take care of each other. We have 5 new babies coming this year, and we are blessed. We will give them support in every way we can, through serving and a small monetary gift, and whatever each one of us can offer to help. Let's communicate with each other so we know who to help and please check your emails for any updates."

Last week, we were able to support two families, Erika Phil and Eri Yanai and their new babies.

We will primarily support the elderly and members living alone, visit those in a health crisis, look after new and expecting moms, welcome and help incoming residents, and support the sanctuary maintenance.

Next week, we will have our Logo contest.

Please bring a copy of the logo design you want to share next meeting on Sunday, May 30th at 12 Noon.

Thank you all for your support! Sisters, please join us at next Sunday's meeting. We will continue to enroll members and discuss the Church's upcoming activities. To help our communication, feel free to contact us at the following directory:
