For the last weekend of 2021, Shine City Project volunteered at the Las Vegas Rescue Mission!

On December 26, 2021, our Shine City Project volunteers assisted with community dinner service. Our team had ten volunteers with one joining us for the first time! Our group was led by Andrés!

Before the start of the dinner service, some volunteers helped to wipe down food trays while others helped to fill water pitchers and place them on tables. Once the dining hall opened, volunteers served food, provided hot sauce, refilled water pitchers, and performed other tasks. At the end, we cleaned up and headed to Harrison House!

Our Shine City Project volunteers were happy to be treated to a home-cooked dinner by our Aunt Katherine! Overall, we hope that we could have ended the year strong with some love and comfort for those who needed it most!
