On March 26th, the Fil-Am (Filipino American) News organization which is based in Las Vegas, held a Fil-Am Outstanding Women Awards to recognize and celebrate women's achievements in the State of Nevada. The purpose is to recognize female leaders who have made significant contributions to our community through their exceptional leadership, sustained dedication, and inspiring achievements.

These Outstanding Women Honorees encourage, promote, and create lasting changes in our state that impact the lives of many more women, empowering them to find their own paths to lead.

Mrs. Heidi Iseda received the Outstanding Fil-Am Woman Award in the Education and International Mission category for her work as a volunteer missionary for 45 years with the Heavenly Parent's Holy Community, and her work as an educator with the Family Education and Empowerment Foundation (FEEF) the past 10 years. She is also a licensed teacher in the states of Nevada and California. She has touched thousands of young people's lives whom she taught with God's love and True Parents' love.

Heidi is grateful for her husband, Kiyohito Iseda's support, who is behind the scenes most of the time, and for her children and grandchildren's love. She also want to thank Rev. and Mrs. Doo, Mimi Morse, brother Dieu, and all brothers and sisters she has been blessed to work with throughout her church life, especially here in Las Vegas the past 13 years. May Heavenly Parents be with you all always!
