

HPHC Las Vegas: Zen Curry Cup Super Smash Bros Tournament held

T. Ota
August 27, 2022

I held our monthly Zen Curry Cup Super Smash Bros Tournament at the Community Center on 8/27/22. It was a fantastic turnout with 18 people signing up for the tournament. This was our biggest tournament so far and everyone had fun competing with each other. I hope to continue these tournament for as long as possible to create more opportunities for the community to gather and create wonderful friendships and memories through the video game Super Smash Bros Ultimate.
