

Las Vegas Family Church Shine City Project at Moapa

Ken Doo
October 15, 2022

On October 15, 2022, Shine City Project travelled to Moapa!

A one-hour drive north from Las Vegas, our Shine City Project volunteers made our way to Moapa for the Warm Springs Natural Area Green-Up!

Joining volunteers from other organizations, groups, families, and individuals, our Shine City Project team helped to revegetate an area of the Warm Springs Natural Area with plants that are native to the Mojave Desert. We had twelve volunteers representing Shine City Project with one joining us for the first time!

Two hours after the start of the planting event, a couple thousand plants were planted by close to 200 volunteers! As an appreciation for all of our hard work, all volunteers were treated to some delicious tacos!
