

## Las Vegas HPHC Shine City Project volunteer at Catholic Charities of Southern Nevada

Ken Doo  
November 5, 2022

On November 5, 2022, Shine City Project volunteered at Catholic Charities of Southern Nevada!

Most of our group helped to sanitize and wipe down tables during the community meal service. Each time a person was finished eating, our group was responsible for spraying sanitizing fluid into a cleaning cloth and getting the table ready for the next person.

Additionally, a couple volunteers helped to collect trays and dirty dishes after a person was finished with their meal.

For this service project, we had eleven volunteers representing Shine City Project!

Out of those eleven volunteers, four volunteers were joining us for either their first or second time!
