January 27, 2023

Africa America Project or AAP, is an Cheon Shim Won initiative that aims to connect people to Africa thru bonds of heart.

This will be a trip to Zambia, Africa from the 13th to the 28th of March where participants will have the opportunity to experience daily life there, help in service projects and learn about other cultures.

This time around AAP will only be accepting young adults aged 18+

Participants are expected to cover their own flight expenses.

Interested individuals may apply for sponsorship.
