True Mother on "God's purpose for creating human beings."

.....True Mother said that "God's desire is to come down to earth and live a happy and joyful life with human beings, His children." God wants to experience joy and happiness with His children in His Kingdom on earth and beyond. True Mother is creating an environment, the Kingdom of Heaven on Earth, where Heavenly Parent directly descends to this earth, loves human beings, and feels joy and happiness together with children.....

Our Attitude toward Hyo Jeong: Part 4

.....In the Christian tradition, people believe in God because God is invisible. They cannot feel Him and they don't know Him. But in the Unification tradition, True Parents, the unfallen and victorious Adam and Eve are the embodiments of God, our Heavenly Parent. Through them, we see, feel, and know Him, so we don't believe in God, but we live with and attend God. By exemplifying Hyo Jeong, all families become true parents and live with God.....

Do Not Miss the Hour of Visitation: Part 3

.....A watch has three significant hands that determine the time: the hour hand, minute hand, and second hand. The hour hand of the New Testament era was Jesus. It is because Jesus was the main character of the providence and the one who determined the time of the providence. Then, the True Father was the hour hand during the Completed Testament Age....

The background of Hyojeong and the meaning of Hyo and Jeong: Part 2

....Through the ideology of filial heart(孝情), True Mother has shown us the relationship with God and the life of attendance that True Parents have created last 60 years...."On the 4th anniversary of the Seonghwa, I talked about the cultural revolution of heart, and I will build the Hyojeong Cultural Center. Through it, I will guide the revolution of the culture of heart to members of the Unification Movement worldwide. So, I will nurture many of our blessed 2nd and 3rd generations. From now on, in the kingdom of heaven on earth, the only way you can be happy is to give joy and praise to Heavenly Parent." ...

“Understanding of Hyo Jeong” : Part 1

.....Speaking of Hyo Jeong, True Mother said, “We need to reveal the Heavenly Parent and the True Parents of Heaven, Earth, and Humankind in front of the world. Hyo(孝), filial piety should be done while your parents are still alive. It must be pure and bright. We can achieve our dreams with Heavenly Parent. For that, I will bring about a cultural revolution of Heart(情).”.....

“Il Seong Jeong”, the evergreen pine tree

.....Pine trees are always green and do not change throughout the four seasons. They symbolize enduring loyalty and fidelity. In True Mother's song, Il Song Jeong are members, blessed families. Some of those who have lived a life of

faith over the past few decades have changed according to the seasons, like broad-leaved trees. However, amidst countless challenges and a roller coaster ride, you have walked the path of faith with True Mother as steadfastly as Il Song Jeong. True Mother treasures such a heart. It contains the hope that you will continue to attend True Mother and stay with her forever.....

An Understanding of the Meaning of Ahn-shi Il

.....God wants the seeds He has planted to be fruitful. The good fruits the creation produces give God satisfaction more than anything else. On the day when all creations give results to God, the Creator, God will have joy, satisfaction, and happy

moments. That day will truly be Sabbath to God. That is why True Parents proclaimed the 8th day.....
