Beloved blessed families and members,

With deep sorrow and remorse, we acknowledge that despite your sincere prayers and heartfelt hopes, we were unable to protect True Mother from the events that unfolded on the morning of September 23. Words cannot fully express the anguish we feel over the consequences of our failure in loyalty and filial piety.

On September 21, True Mother gave clear guidance: in the face of any crisis within the worldwide Unification Community, we must unite as one - led by the Inheritors of Heaven's Love and Blessing and the True Family Four-Position Foundation (the families of Moon Hyo-jin and Moon Heung-jin) - centered on True Parents.

In accordance with this direction, and centering on the Inheritors of Heaven's Love and Blessing and the True Family Four-Position Foundation, we have reached a unified consensus and now share the following with all blessed families and members:

1. The leadership that failed to fully attend and uphold Holy Mother Han, True Mother, will repent and humbly step down.
2. A "Family Federation Council of Representatives," centered on the Inheritors of Heaven's Love and Blessing and the True Family Four-Position Foundation [Moon Shin-chul and Moon Shin-Heung], will be promptly established and announced.
3. All blessed families worldwide are asked to unite with the Inheritors of Heaven's Love and Blessing and respond faithfully to the present circumstances.
4. Until True Mother returns to us, all developments will be communicated transparently to the members.

Beloved members,

Though today's sorrow stems from our shortcomings, we are determined to transform this pain into renewed hope. We offer our deepest gratitude to each of you who have walked the path of prayer and devotion for True Mother. She remains ever-present with her beloved sons and daughters - the blessed families across the globe. So that her love may never be in vain, we pledge to do our utmost - centered on True Mother and together with you - to build the community our Heavenly Parent longs to see.

With sincerity and resolve,

Family Federation Council of Representatives
