Recognized for Balanced Coverage

On December 30, 2025 (Cheon Il Guk Year 13 HC 11.11), Austria's public broadcaster ORF covered the Family Federation's 2025 Hyojeong Cheonju Blessing Ceremony held in Korea last April.

The broadcast described the Blessing Ceremony as a "festival of love," and that participants can marry or renew their marriage vows in front of God.

ORF also highlighted the Family Federation's goal as to unite humanity into one family of perfected love, with members striving to orient their life and actions fully toward God.
