Establishing a standard of faith and resolving to grow as "Pure Water"

A Heavenly Central and South America Hyojeong Academy 21-Day Workshop was held from January 18 to February 8 (HC 11.30-12.21) at the Continental Headquarters.

Some 140 participants attended lectures on our essential teachings, Hoon Dok sessions, night vigils, and Tong-II Moo-Do training.

This helped them set a faith standard centered on Heavenly Parent and resolve to grow as the "Pure Water" Heavenly Parent longs to see.

The Bolivia Family Federation held a Pastors' Seminar from February 2 to 3 (HC 12.15-16).
