Blessed Families' Renewed Commitment of Faith

A nationwide special service hosted by the Benin headquarters commemorating True Parents' 66th Holy Wedding Anniversary, was held on April 26 at the Godomey Peace Embassy.

Some 400 participants attended both online and in person, and blessed families shared testimonies about their faith and the Blessing.

The national leader urged everyone to become one with True Parents, and the attendees agreed to spread blessed family values with God and True Parents at the center.
