Only those who register **for the Autumn Great Works can receive the Tree of All Things Candle.**

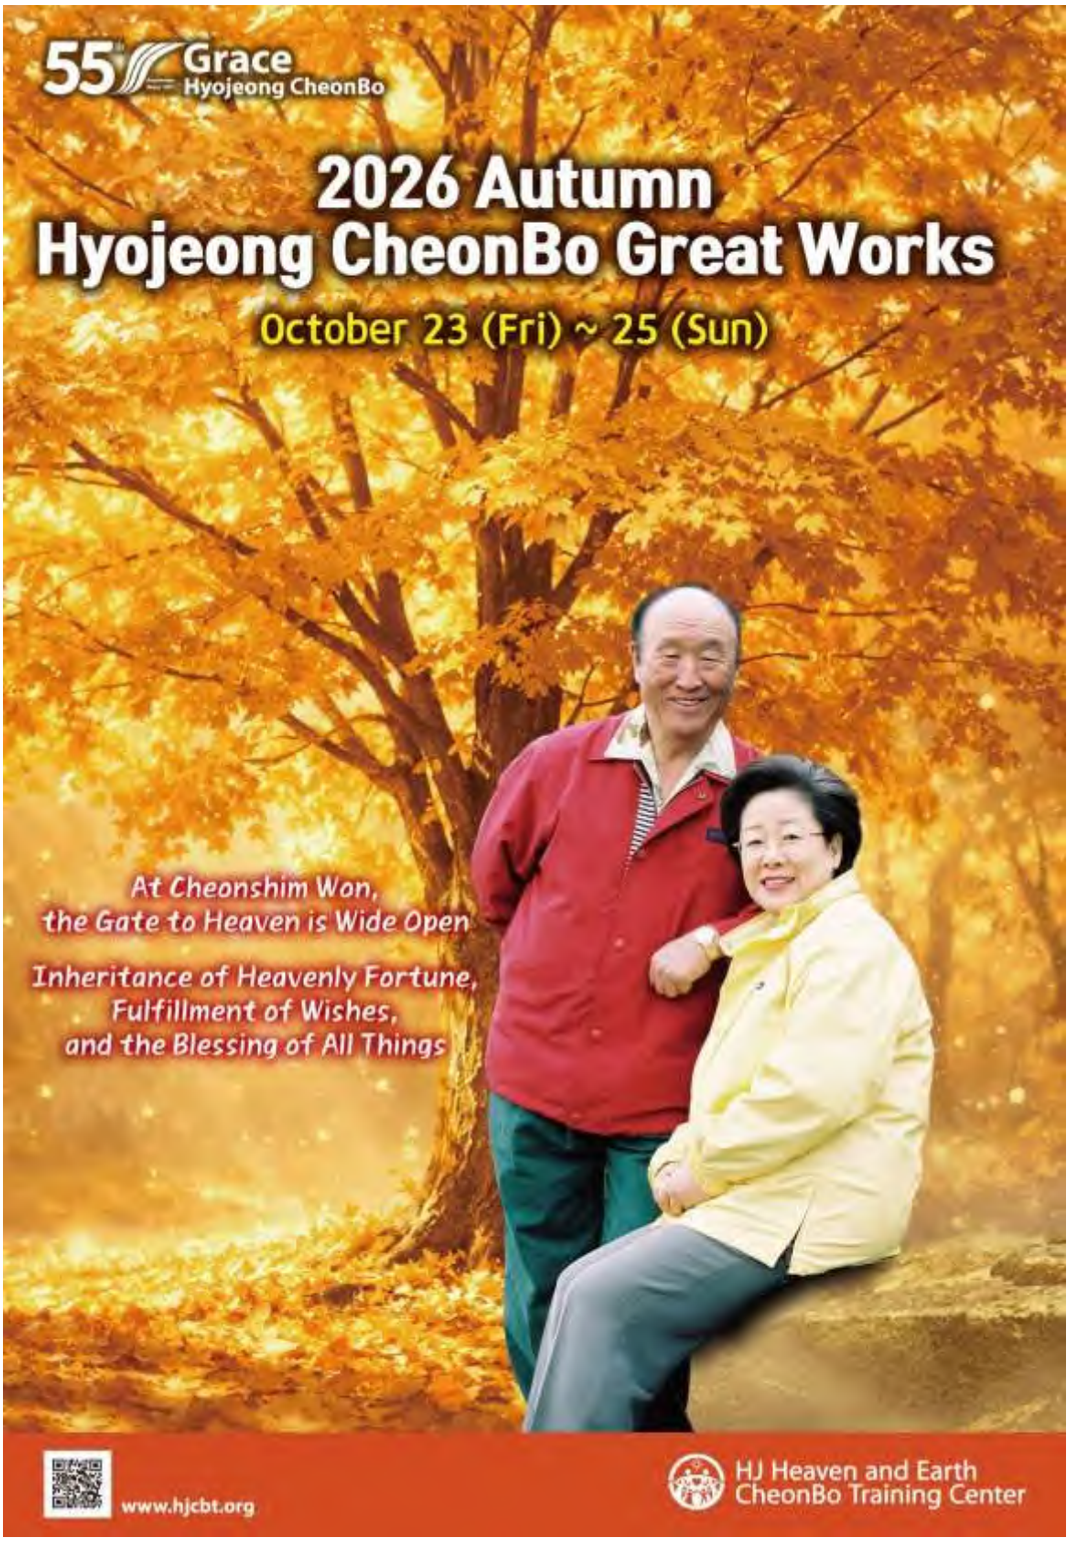

Grace of Prayer at the Tree of All Things
Every year during the Autumn CheonBo Great Works, members have the opportunity to receive the grace of Blessing of All Things through the 'Prayer at the Tree of All Things.' This was done by passing and receiving the light to their own **sanctified Candle** during the event. Then for the next year until the next Autumn CheonBo Great Works, members could receive this Blessing everyday throughout their daily lives.

For 2026 Autumn CheonBo Great Works, the seed candle will be sent to each regional and national leaders after the Special Great Works through the branch of your continent. To receive this grace, you will have to go to church and participate during the Prayer at the Tree of All Things.
Those who could not attend the event personally at the Training Center, please make sure to register for the event beforehand, and inherit the candle at your church after the event. A separate instruction will be given to your leaders for this method.
