June 16, 2015

FFWPU Las Vegas: True Day of All Things was celebrated by The Las Vegas Family Church in the Church Sanctuary, by a large gathering of members, guests and families on June 16 2015. Rev. Doo led the Service, which included Greetings to Heavenly Parent and True Parents, singing of the CIG National Anthem, and CIG Pledge. Mr. Akira Watanabe offered a heartistic prayer. Flower Offering was made by our brother, Shuichi Sugimori and his mother. The Flowers and a delicious cake were prepared by Lorna Todd.

The Cake Cutting was done by key sisters who are working diligently to make a difference in Las Vegas, including 3 recently appointed by True Mother to do VIP Outreach. Angela read from Father's Autobiography about the loving Heart of God.

Rev. Thomas Hwang spoke about the meaning of True Day of All Things and how the creation has been waiting for True People to love and care for it. He shared a story of Sang Hun Lee who did a 21 day fast and the rice he was about to eat called out to him "Are you worthy". He did one more day fasting, and with tears expressed appreciation for the rice.

Mr. James Oberg led a rousing 3 Cheers of Mansei. In the Announcements, the beginning of a 40 Day Witnessing Condition was outlined by Leslie Rigney. She said True Mother had requested this, as she was leaving Las Vegas. A group Photo was taken, and then visiting and sharing Cake and fruits. We all felt hopeful and energized! Thank You, True Parents!
