

Las Vegas Family Church holds DP introduction as a start of 120-day condition

On Thursday April 21st, we held an hour-long Divine Principle introduction lecture as a start to our 120-day condition. Before we started our lecture we had a delicious dinner prepared by our wonderful sisters Hope Igarashi and Mrs. Compton.

The lecture was quite general for the sake of our non-member guests and it will continue to be so for the rest of the condition. Thus, I encourage all our members to bring their guests to this study. The lectures will lightly explain the introduction in which we can have a better understanding of who True Parents are and about our unification church. Rev. Compton will continually provide this Divine Principle lecture/study until August 19. The sessions will continue on for the duration of 120 days with or without guests. I hope to see many of you there!
