Hello Brothers and Sisters!!

Do you have Spanish-speaking (Hispanic/Latino) friends or contacts you've been trying for a long time to introduce to our movement or have you recently found a Latino spiritual child that you are hoping to bring to the Blessing on August 19th.

Exciting News!

Guest Lecturer: Ricardo DeSena-UPF-USA President, long-time Unificationist and friend -- will offer an "Introduction to the Divine Principle" in Spanish at the International Peace Education Center (IPEC) this Saturday, June 18 from 4-7:30pm! (This program is equivalent to Andy Compton's Half Day Seminar and fulfills the same requirement towards attending the August 19th Blessing.) Dinner and childcare will be provided. \$5/person Suggested Donation at the door.

Please plan to attend and bring your special guests to this exciting program which will open the door for them to receive the Marriage Blessing of True Parents and become part of your eternal tribe this summer!!!
