**Rev. Ken Doo's sermon will be for UC members.**

Who wants to have a rebirth experience?

Are you satisfied with your life here in Las Vegas?

Until 2008 we had 5 families here in the Las Vegas community.

Now we have about 50 families.

I have a question. What brought you here? Actually Las Vegas is very dry and there is nothing to see compared to the East or Midwest.

Last Wednesday Mr. Nada visited Las Vegas and gave a talk. I heard Mr. Akira ask him about Las Vegas. Mr. Nada said to Mr. Akira "Las Vegas is the center of the providence."

I believe that most people moved here because of True Parents, simply because people knew Las Vegas as the center of the providence. That reason dragged people into this Sin city. That's what I believe.

Why is Las Vegas the center of providence?

Because True Parents are here in Las Vegas.

Then why did True Parents come to Las Vegas?

Last Sunday Dr. Balcomb shared True Father's directives to the CARP members.

True Father asked CARP members to present a SWOT analysis.

Let's here True Father's speech to CARP members, it's really fit in here.

*"Let me tell you something. You CARP members, have been loved more by true parents than almost anyone else. That means that God has a big expectation from you. It also means that if you don't succeed, you're going to have to pay a lot of indemnity. In fact, not only will you have to go to hell but I will send you to a special hell underneath regular hell and you will suffer."*

*"You have to realize that hell is the shortcut to heaven. You can go to heaven the long way around, kind of like the people in Israel taking 40 years instead of 21 days. But if you want the short cut, you have to be willing to go through hell and you have to be willing to fight and suffer and WIN and then God will make it very very short."*

*"You have to realize that if I ask you to go to that special hell, mother and I will be there first."*

*"We will be there to meet you, work with you, and we will go through together and we will build the kingdom of God." (1989 Belvedere)*

Las Vegas is known as the Sin city. Hell on earth. Actually there are many sin cities in the world.

#1. Thailand, #2. Amsterdam, #3. Brazil, #4. Las Vegas, #1 to #3 countries have beautiful environments.

But look at the Las Vegas. It is the desert. It gets up to 120 degrees F. Just like True Father said to CARP. It's just that we are in a special hell which is under a regular hell.

True Parents didn't send us here. We came here willingly. So, my question to you is why are we here? Are we here to be fighters or to be an audience, spectators?

I believe we all came here to be fighters.

In order to be a fighter, we need to have a clear understanding of the purpose and goal of the fight.

That is why it is very important to know why True Parents came here and spent 4 years in Las Vegas.

This is a long story but today I will make it a short story for you.

True Father came here on earth as the messiah. What is the Messiah's number one mission?

It is restoring fallen Adam and Eve. The incident of the Fall of Adam and Eve was the most painful for God. This incident destroyed all of God's work. So, that is why the Messiah's priority mission was to restore Adam and Eve.

It was not saving fallen people. Since God lost his precious children. He wanted to save his children first. Once Adam and Eve are restored, fallen people would all gradually be restored.

That was God's plan.

If God wanted to restore fallen people first. The Messiah should have gone to Africa or Middle East. Especially for the last 4 years of the Messiah's life, it would've been better to solve world hunger or religious conflict in the middle east.

But True Parents didn't go there. So that means the Messiah's priority mission was not saving fallen people. In the Divine Principle, we learned the process of restoration. What were the methods?

*"To understand the formula of restoration we first need to go through a course to separate Satan from ourselves. We do this in order to restore ourselves to the spiritual level which Adam and Eve had reached before the Fall -- the top of the growth stage. On this foundation, we are to receive the Messiah and be reborn, and thereby be fully restored to the original state of human beings before the Fall."*

God created a beautiful Garden of Eden for Adam and Eve.

If Adam and Eve had grown up well, that Garden would have been the kingdom of heaven on earth. However, in this environment of curiosity, Satan tempted Adam and Eve. As a result, they fell and received Satan's love. Because of that tragedy the Garden of Eden became the kingdom of hell on earth.

So, in order to restore Adam and Eve, God had to create the same environment in which Adam and Eve fell. That is why God prepared Sin city Las Vegas for True Parents in order to fulfill their mission.

As I told you earlier, Las Vegas is #4 Sin city in the world. In order to restore Adam and Eve why didn't True Parents chose the #1 sin city such as Thailand or Amsterdam?

There is a reason. True Parents designated three major providential nations: Korea as Adam, Japan as Eve and America as Archangel nation (166-294, 1987.6.14). The nation is not a man, so it cannot take the place of a human. However, True Parents did it. I believe True Parents expected the entire nation to take on the role of these three central figures. After that on April 17, 1998, True Parents declared Korea as Father, Japan as Mother and America as Elder Son nation. True Parents blessed America as the elder son nation. Think about this, is there any relationship between the Archangel and the Elder son?

Here is how the story begins. In Gen. 3:4-5 the Archangel tempted Eve to commit sin. So, the Elder son was born with the Archangel's lineage. That establishes the relationship between the Archangel and the Elder son. So, it totally makes sense that America moved from the Archangel nation to the Elder son nation.

Therefore, True Parents came to America and spent 40 years from Feb. 1965 to Mar. 2004 to make a foundation to restore Adam and Eve. America as the elder son is just like a melting pot of all three figures; Archangel, Adam and Eve. Especially Las Vegas since it is sin city symbolizes the kingdom of hell on earth.

Las Vegas is God's prepared place for the restoration process. Sin city Las Vegas was born in 1930 between True Father's birth year 1920 and True Mother's birth year 1940. In 1930 Las Vegas officially became known as Sin city.

The Las Vegas providence is not part of the 40 years of American providence.

Las Vegas providence is the providence of Pacific Rim Era which includes Korea, Japan, Hawaii and Las Vegas. True Father said Hawaii is the Garden of Eden, and what about Las Vegas? He didn't say anything. From here we could see the clear picture that Korea is Adam, Japan is Eve and Hawaii is Garden of Eden before Adam and Eve fell. And Las Vegas is Garden of Eden after Adam and Eve fell. The providence of the Pacific Rim is for the providence for restoring Adam and Eve.

True Parents' last proclamation at CHG in Las Vegas was April 14, 2012. After Hoon Dok Hae he held the Proclamation ceremony saying "Sun Myung Moon and Hak Ja Han Moon two people who restored the Adam and Eve of the Garden of Eden to the time before God said 'you will die if you eat the fruit of the tree of knowledge!'" If 1960 True Parents' holy matrimony was considered as restoring Adam and Eve, they should have made this proclamation at the time of the holy marriage ceremony. Then why True Father didn't do it? Because 1960 there was not enough foundation to make this proclamation. One example is Christianity had to accept True Father but didn't. Therefore, they had to have a conditional holy matrimony for us in order to make a foundation. With Sun-Myung Moon and Hak-Ja Han Moon's holy marriage they were able to give us the blessing.

That is the reason True Father did this proclamation in the last moment of his life when he completed all the necessary foundation for restoring Adam and Eve. So from his proclamation, we could clearly see the Messiah's mission is the restoration of Adam and Eve.

What did he do, during the 4 years from mid-2008 to mid-2012, True Parents were in Las Vegas?

True Parents closest leaders often gave testimonies; True Parents made fishing conditions in hot weather conditions.

True Parents did OSDP workshops, True Parents held speech events. Etc.

Can you see any different activities between other places and Las Vegas? Whatever True Father did events in Las Vegas, those were mostly similar activities than others. It was kind of regular activities which we have often been involved in.

If True Father had realized that the last 4 years were the epilogue of his life, he could have lived a more eventful life. But he came to Las Vegas amidst all kinds of rumors.

So, whenever True Father's made external activities in Las Vegas, it was just like a bait for Satan. While Las Vegas is considered as Sin city, this place is Satan's nest. When the Messiah came into Satan's nest what was Satan's reaction or response? What if True Parents had declared that they came here to restore Adam and Eve? Satan would have immediately attacked True Parents. Then surely they would have had the most difficult time to fulfil their mission as Messiah. So, True Parents didn't say anything rather they made it look like they were just enjoying their life in Las Vegas.

Therefore, Satan could relax and let them be free.

When True Parents saw Satan was relaxed, True Parents did the restoration ceremony quickly just like a lightning.

That is what happened on April 14, 2012 at CHG Hoon Dok Hae room.

So, this place was the kingdom of hell on earth. Now this place is the most historical place True Parents Rev. and Mrs. Moon as messiahs fulfilled their mission. This is victorious battle field. This is the shortcut to the kingdom of heaven in heaven.

So where do we stand? We stand right in front of the kingdom of heaven in heaven and the kingdom of hell in hell. Are you excited or scared?

Now do you understand why Las Vegas is the center of providence?

As a fighter, now we know a clear understanding of the purpose and goal of the fight.

We have to keep and protect heaven side Garden of Eden which True Parents made for us. God's territory must expand to entire Sin city Las Vegas. This is the purpose and goal for us.

Now we have a great opportunity. True Mother gave us a SG.

True Mother prepared a Flu shot for us. Once we get it. Our immune system will be strong enough to fight to evil force. Once we drink the Holy wine all our sins will be forgiven. What do you think? Is it true or just words? I 100% guarantee you that it is true. However, there is always a condition to achieve this kind of grace. What is a good example in the bible? Abraham and Isaac's story. There is nothing free in heaven and on earth.

Without paying indemnity or a condition, this grace does not work. The holy wine without paying indemnity or a condition, this is just the same as regular wine.

We must absolutely trust, believe and unite with True Mother. Once we do it all those miracle will happen for us.

We all have to understand how precious this era is with True Mother.

Especially Las Vegas family members.

I heard some people are struggling with True Mother's leadership.

Think about when we lived with True Father and True Mother. True Farther and Mother are one as True Parents. At that time how did we connect to God through True Father's prayer we connected with God. After True Father's Sunghwa, it is more clear, they are one with True Mother's body. Now can you see the picture? What I am trying to say to you? True Father is in heaven and True Mother is on earth. True Father is with God and we are with True Mother.

We are more close than ever in the entire human history from the earth True Mother to True Father, from the heaven True Father to God. There is a straight vertical line from earth to heaven.

Let us look at our wall clock. The minute-hand points at 12 and the hour-hand points at 6. Just like we are living at this amazing time of era. Think of how long the hand of the clock stays vertical.

It may be one second. This may be similar to God's time, this one second could be a day or 10 years or as True Mother said 40 years that she wants to live. Once True Mother leaves us the hands of the clock will never be straight during our time.

We are living in three great eras. 1st relationship with God through True Parents, 2nd relationship with God through True Father who is in heaven and True Mother who is on earth. 3rd direct relationship with God, when True Mother goes to the spiritual world.

Who will have this blessing on this earth throughout the entire human history? Only us!

The bible says human are the temple of God. We are the children of God. So, in other word God dwells within you.

Even if True Parents liberated God, our portion of responsibility still remains.

Let us liberate our sorrowful God who is in me with the Special Grace from True Mother at this time. With a God of sorrow, we will never be happy.

Now we all know the importance of the providence of Las Vegas. So, we know why we are here in Las Vegas. We are already living in Sin city, True Father said living in hell is shortcut to the heaven.

It is now your choice to stay here or enter the door of the kingdom of heaven on heaven.

Let us all have a rebirth experience on Aug. 19. True Father is waiting for us.

Waiting for our determination.

Brothers and sisters, we have stayed too long in this gloomy life, complaining, becoming jealous, judging, distrusting others and losing hope. Our God who is in us is trapped with all kinds of gloomy elements. For the past several decades we have been living with those gloomy elements, have they helped your life? If gloomy elements were harmful for your life, let us be smart at this time. Let us get rid of all those things and start a new life.

Now we are living a special era with True Mother. This is such a precious time in the entire human history.

You are the only one will have this blessing in the entire human history past and future.

Please join me.

Do you want to renew your spirit? Do you want to live a new and better life? Do you want to become a new person, a new family? Do you want to experience a rebirth? Then please join me on Aug. 19 and let us be born again. John 3:3 Jesus replied, "Very truly I tell you, no one can see the kingdom of God unless they are born again (NIV)

Thank you.
