

Rev. & Mrs. Doo host thank you party for August 19th LV Blessing volunteers

Lydia Compton
August 26, 2016

On Friday evening, August 26th, Rev. & Mrs. Doo invited all who had helped with the August 19th Blessing Event to come to a BBQ and Reflection/Evaluation Meeting at CHG. After sharing dinner together, 20 brothers and sisters gathered for an open and candid conversation about the event.

Their lively conversation ranged from criticism of weak points to appreciating successes and recognizing the impact of the program on our guests. After reviewing all the main elements -- finances, registration, care for the Blessing couples, behind the scenes preparations, the ceremonies & the entertainment -- it was concluded that, although 430 couples did not attend and that some definite improvements should be made for the next time -- all in all it was a very successful event, a good beginning.

One final point agreed upon by the group was the importance of taking the next step, of creating follow-up care and education specifically for the Seven Couples who received the Blessing this time. We can all look forward to hearing more about this soon!
