

## Blessing Committee Members Wanted for the Cosmic Blessing Ceremony at IPEC

Ken Doo  
August 25, 2017

Dear Brothers and Sisters,

As you might know, Las Vegas is hosting the Cosmic Blessing Ceremony at IPEC on September 10th this year. As hosts, LVFC will prepare and conduct every aspect of the event. It is now just over 2 weeks away. So, this is the time to confirm your participation as a staff member and begin the substantial work of preparation. In recent days, many of you who participated in staffing previous Blessings have received a call asking if you could participate again this time. We have been heartened to receive your great support!

At this time, we would like to open things up and invite others of you who have not yet been part of producing this beautiful event, to join us. There are openings in the following areas:

Ushers & Parking staff (including coordinators),

making Flower Arrangements for the Stage and the banquet tables, Preparing Bridal Bouquets & Groomsmen's boutonnieres,

managing & assisting in the distribution of veils, bouquets, gloves & scarves to the Blessing candidates,

preparing items such as the bowls for Holy Water, the cushion for the rings & the cups & trays for Holy wine, staffing the registration tables and more.

Some of these positions are for the Blessing day only, others are for pre-program preparations & some require both. Most of the staff is already secured, so this is a precious opportunity for a few new people to become part of the Cosmic Blessing Team.

This Sunday, August 27th, immediately after our snack time, we will get together in L2 (love building 2nd Fl.) to learn more about what it takes to make a successful Blessing, what you can do to help & to receive your suggestions based on your past experiences with Las Vegas & other Blessings. There will also be a chance to sign up, meet together with others you will work with & be briefed about your mission & responsibilities. From Monday, the preparations will begin. On the 10th we will see the fruits of our work.

Thank you so much for considering to volunteer. We look forward to seeing you Sunday & to working with you for this great event.

God bless you.

Sincerely,

Rev & Mrs. Doo
