Kinesha will be organizing the meal so please let her know (via text, FB msg or email - kmtsuchiryu04@gmail.com) about the food item you would like to bring. If the dish you want to bring is not listed, it's okay, just let Kinesha know and she will add it to the list.

If you are unable to bring a food item, please let us know as well, and prepare a \$3 donation per person.

Although participating in the Talent Show is not mandatory, it is strongly encouraged!! We should always look for opportunities to show gratitude AND offering our God-given talents is a great way to do just that! Plus you will put a big smile on everyone's face when we all get to see your talent!

You can prepare something simple, like singing a song karaoke-style or showing off a unique talent; to something elaborate, like getting together with a few other people and creating a Thanksgiving skit!

Sooo use the next week and a half to get together with other members of the LVYC and create something awesome!!
