

Realizing Cheon Il Guk regardless of our circumstances - Korea report

Dear brothers and sisters,

Warm greetings from the Fatherland of Faith.

Thank you so much for investing your time and energy in preparing and participating in the 2018 Hyo Jeong Cosmic Blessing at IPEC. I truly appreciate all of your hard work and sincere efforts from the bottom of my heart.

I left for Korea right after the Las Vegas 2018 Holy Blessing event on the night of August 26th and arrived at Cheong Pyeong in the morning of August 28th 2018. I was able to attend a 3 days special workshop planned by True Mother.

Originally, the International Leadership Conference was to be held right after the Blessing event, but True Mother gave us a new direction and asked us to offer a Jungsung condition. So, we had morning Hoon Dok Hae, Chanyang and then climbed the mountain, and afterwards we offered prayers at the Tree of Love, the Tree of Heart, the Tree of All Things, the Tree of Loyalty and the Tree of Blessing. I believe this is the first time we are attending a workshop which involves only Jungsung condition. It was a very special workshop and all participants were inspired and appreciated True Mother's love.

After the three days workshop, we all wrote a resolution for the realization of Vision 2020. We wrote that we will agree to give up our positions if we fail to bring about the great Providential work of firmly establishing Cheon Il Guk and we also resolved to remain on the path of firmly realizing Cheon Il Guk regardless of our circumstances.

True Mother is very serious about fulfilling Vision 2020. We only have 1 year, and 6 months left before 2020. It is a very short period and it may seem impossible for us to achieve our goal of vertically Blessing 430 generations of our ancestors and horizontally Blessing 430 couples, with a filial heart. However, I believe Heavenly Parent and True Parents have given us a special task and there is a way of fulfilling the goal which we've been given by True Mother.

In Las Vegas we talked about the community level 430 couple Blessing since 2016. We should seriously discuss and practice more from now on centering on Tribal Net from HQ. I would like to create a "430 Club" in the Las Vegas local chapter. I would like to have a "430 Club" meeting every Wednesday from 7pm, at the CHG Sanctuary so that we could discuss our strategy on how to fulfill our 430 couples tribal messiah mission and share our testimonies.

Dear brothers and sisters, during the 3 days workshop I was hesitant to accept what I signed in the resolution paper, but I realized that it was a matter of my faith and my mindset. So now my mind is very clear about True Mother's direction and vision 2020. Dear brothers and sisters please let us work together and support one another so as to fulfil our responsibility. Please join "430 Club" and lets all share our strategies, our ideas and hearts, with one another in order to accomplish our goal as a community.

I love you all. See you soon.
