

The Third 430 Club meeting held at the Cheon Hwa Gung Sanctuary in Las Vegas

Ken Doo

September 19, 2018

21 LVFC members gathered at the CHG Sanctuary to attend their 3rd 430 Club meeting. The meeting started at 7:10 pm with a prayer offered by Rev. Andy Compton, followed by an online video presentation where members present had an opportunity to hear testimonies from brothers and sisters around America who have accomplished their 430 Couples Tribal Messiahship mission.

The members were inspired with the testimonies and words of encouragement from Rev. Dunkley, Rev. Hankins, Rev. Kong and Karlson who led the presentations.

Rev. Doo thereafter took his time to share about the global standard for accomplishing the Heavenly Tribal Messiahship Mission and how valuable it is in this era. The main points are indicated below;

2 Levels of Tribal Messiahship

1. Accomplisher- Tribal messiah who has Blessed 430 couples on earth.
2. Victor- Tribal Messiah who has Blessed 430 couples on earth and liberated and Blessed 430 generations of ancestors in the spirit world. Also, a Victor should bring at least 43 couples among the 430 couples to church.

Members present also agreed to support each other until they all Bless 430 couples and came up with the following action plan;

Blessing their guests at the barbecues held at CHG.

Play music at the park with the LVFC Praise team and reach out to people within the park through the "1 Million Signatures Petition to support Traditional Marriage"

Blessing certificates to newly blessed couples.

Educating the newly blessed couples on how to become God's children- Education will be done in levels from the barbecue, to 7-days workshops and blessing education.

Organizing Educational talks and presentations with topics such as True Family Values, Realizing True Husband and wife relationships and how to remain pure and chaste before marriage and fidelity after marriage.

Members present agreed to accomplish their mission by 2019 Foundation Day. In conclusion, members willingly volunteered to take responsibilities in preparation for the first outreach Heavenly Tribal Messiahship mission. Tentative dates will be announced soon.

The meeting adjourned with a closing prayer by Mrs. Yamaguchi at 9:10 pm. The next meeting is scheduled to take place on September 26th 2018.
