#### **Feasibility Survey**

Dear brothers and sisters,

You are invited to a town hall meeting hosted by the Building Committee this Sunday after the service.

We want to briefly report on the progress and gather your input on the design of the new church.

Please take a moment to answer the following survey questions. We want to collect as much information/ideas as possible to create a beautiful design and ultimately build a church we can all be proud of.

We cannot change the exterior elevation or the overall size of the building but we can design the interior to meet our needs.

Click the following link for the preliminary design option 1, and option 2 layout, a blank layout and a layout of our current sanctuary.

Your opinion matters and we want to hear from you.

Please take the survey and join us after the worship service. If you are unable to attend, please email your comments, concerns to Building Committee Chair Dieudonne Nkwethat at <a href="mailto:nkwethat@yahoo.com">nkwethat@yahoo.com</a> and he will share your idea with committee.

Thank you,

The Building Committee
