

Blessings with Wake Up as One Nation

Last Saturday, November 3rd, Heavenly Tribal Messiahs of the Las Vegas Community came together to give the blessing to 12 couples attending the "Wake Up as One Nation" event hosted by Councilman Bob Coffin.

There was a face painting station for children and a photo booth where families had the opportunity to have their picture taken and printed.

CARP, FEEF, and UPF also had booths set up.

This gave couples the opportunity to connect to members in different ways and stay connected in the long run.

Overall, it was an exciting and victorious day for Heavenly Parent and True Parents!
