Last Saturday, March 30th, Young Adult and Youth Ministry (YAYAM) of Las Vegas held their first official event!

The event included active games, a delicious potluck dinner, great music by the CARP band, and internal guidance.

For the Youth, the leaders shared a little bit about themselves and also heard from the middle and high-schoolers about what they hope for in youth group.

For the Young Adults, Takahiro Sakaguchi gave a short but powerful talk about community.

Afterwards, everyone helped set up for church, played music, and talked.

It was a really fun night and a great way to kick off YAYAM!
