Last Saturday, the LV Youth Ministry Team held it's third bi-weekly event. The night consisted of a testimony and games. Bobby Veith gave a great testimony about friendship which really encapsulated our vision for Youth Ministry. Following that, we played a series of competitive, "Minute to Win It" style games where teams had to perform ridiculous actions to gain points. See the pictures below and try to figure out what's going on!

Overall, the evening was just a lot of fun. It was a time for everyone to get to know each other and become comfortable with each other. And it was the start of a larger goal of really creating a community that the kids feel a part of.
