### Please share a topic of concern or some insights

Dear Brothers and Sisters,

Greetings! This Sunday, May 12, will be a special service. First, it is Mother' Day – Happy mother's day to all mothers! Thank you for your boundless love, care and support.

In addition, we are starting our mobilization efforts for the Blessing America Revival Rally on June 22.

We want to use this Sunday service to come closer together as a community, clear out all misunderstandings, and map a way to work together so we can all be successful as one community. Our goal is that every member feels inspired to take part.

To facilitate this, we will use a portion of the service to hear your concerns, your challenges, and your insights on what we can do to help you feel that you are a part of this great work of our Heavenly Parent.

Some topics for discussion that have already been offered are included below. Please comment with an explanation on the options of interest to you:

- I want to help, but I am turned off by past bad experiences
