

## Las Vegas CARP's End of the Semester Family Celebration

Ken Doo  
June 13, 2019

After months of studying, outreaching, hosting various events and activities, CARP Las Vegas had their finale with an End of the Semester Family celebration.

It was filled with many friends, families, and extended families throughout the years of CARP.

The evening consisted of delicious potluck dinner, performances, testimonies, a video presentation, and lots of memorable pictures.
