*** Daily TPs' Hoon Dok Words ***

With the arrival of this age, you can do the work in place of the Parents. When you are working in my place, what you need to do is copy what I have done. Instead, the place you should do the work is like an altar that contains in condensed form all the things I have connected while traveling the world. All the people of the world are condensed there; it is the world on a smaller scale. Because you need an indemnity condition to model my worldwide activities, Home Church was instituted.(115-083,1981 1104)
