

Shine City Project at Three Square, Southern Nevada's only food bank

Ken Doo
July 20, 2019

On July 20, 2019, Shine City Project returned to Three Square! As Southern Nevada's only food bank, Three Square is dedicated to providing wholesome food to hungry people, while passionately pursuing a hunger-free community.

On this morning, we had thirteen volunteers representing Shine City Project! Several of our volunteers were joining us for the first time! As our task for this morning, we helped to clean bins! Although it was a simple task, these bins would be later used to store and carry meals for food-insecure individuals. Together with another volunteer group, we were able to clean 300 bins which would have provided 7,500 meals!
