*** Daily TPs' Hoon Dok Words ***

"One must resemble their parents on the base of being connected to the parents' tradition through blood lineage. These are the three great principles. When one is connected to their parents through a blood lineage, do they resemble their parents or not? If they want to have the same tradition as their parents, they must have the same blood lineage, and if they have the same tradition and blood lineage, they can resemble their parents. One tradition must have one blood lineage."

Las Vegas Shinning Project

On this morning, we had thirteen volunteers representing Shine City Project! Several of our volunteers were joining us for the first time! As our task for this morning, we helped to clean bins! Although it was a simple task, these bins would be later used to store and carry meals for food-insecure individuals. Together....

On Thursday, August 1, 2019, 7.1 by the lunar calendar of the 7th year of CIG, our Las Vegas community will commemorate two of the eight major Holy Days: the 29th Declaration Day of God's Eternal Blessing (Chil Il Jeol), and the 23rd Declaration of the Realm of the Cosmic Sabbath for the Parents of Heaven and Earth (Chil Pal Jeol). We would like to encourage all brothers and sisters come to pledge service at Cheon Hwa Gung 7 a.m. on August 1. We believe it is important to celebrate our Holy Days according to the traditional day and time.

Dear Pastors, Ministry Leaders, and Blessed Families,

We are pleased to announce that the upcoming **2020 Holyjeong Cosmic Blessing** officiated by True Parents will take place in conjunction with True Father's 100th Birthday Celebration on **Friday, February 7, 2020** at the KINTEX Exhibition Center in Goyang, Korea.

Matched couples and married couples are invited to receive the Marriage Blessing directly from our True Mother in Korea at KINTEX on Friday, February 7, as well as, at various locations in North America via live broadcast on the evening of **Thursday, February 6**.

Communities throughout North America are encouraged to begin making preparations to host a beautiful Blessing Ceremony on February 6 in conjunction with the main event in Korea.

For more information about how to participate in this Blessing Ceremony or host a ceremony, please visit the [BFM website](#).

In addition to celebrating couples who will be receiving the Blessing for the first time, this is an excellent opportunity for communities to offer married couples the chance to rededicate their marriages by receiving the Marriage Blessing. Tribal Messiahs may want to consider inviting Blessed Couples in their tribes to participate in this very special occasion and experience receiving the Blessing from True Parents directly. Interested Tribal Messiahs are encouraged to connect with their community Pastor about organizing a Blessing Ceremony for the members of their tribe.

For any questions or concerns, please connect with your subregional or local BFM Coordinator. You can find your coordinator on the [list at the BFM website](#). You can also send an email to the National BFM at bftadmin@unification.org.

Sincerely,

Rev. Demian Dunkley

Parents gathering this Sunday

Rev. and Mrs. Ota came back from Matching Supporter Training in Dallas. They got a lot of information there so they want to share their experience to other parents. Those of you interested in the Matching Support Presentation may join us at the sanctuary after Sunday's service lunch.
