The weekly Latino Divine Principles Lectures workshop is getting more and more settled.

The members of the Latino community centering on Mr. Walter Gracias have invited guests to teach every Friday. As usual Julio and Raquel Montelogo, they brought new guests.

This time they invited Raquel's aunt Mrs. Magdalena, and her sister-in-law, who is the second time she's attending DP lectures.

We gave the Holy Wine to Mrs. Magdalena, she also had her husband's photo, Javier, he is in the Spirit World. Please see the video.

Jose as always, he brought the food from Juana's Tapatio Mexican Restaurant.

Ligia helps out with the coffee Machine, preparing the salads and setting up the tables, napkins, drinks, etc. Andres and Jocelyne Alcantara, they always gives us their support every Friday, and also bring a delicious dish.

Lily also is attending every Friday, she's the sister that used to sing professionally, but due to the accident, she is now beginning to recuperate her voice.
