Hello Ambassadors for Peace and UPF members and supporters!

It has been two short months since "Peace Starts with Me" was launched in Las Vegas. I trust that you have all been working in your families and communities to promote the ideal of peace. We know that true peace is simple to understand, yet difficult to actualize. We need to encourage one another to fulfill our responsibilities, no matter how great or how humble.

Please come to our gathering on Saturday, September 21st to connect, to encourage one another and to network.

Space is limited, so please sign up [here](#) as soon as you can. I look forward to seeing you, sharing the Peace Principles, welcoming our speakers and hearing your voice in the conversation. Many Blessings!

God Bless You!
