

Las Vegas Family Church's Great Youth Group Night

Ken Doo
November 23, 2019

We had such a great Youth Group Night on Nov. 23, 2019! We had a good showing of 15 people. We had mostly high schoolers and a couple of middle school kids. The night started off with an ice breaker where we got to learn everybody's names, birthday and how old they were. Then we played a game called Fish Bowl where we did a lot of yelling and cooperation.

We finished the night with a gratitude activity where we cut out paper fruits and wrote down what we were grateful for and taped them on a paper cornucopia. We then placed the cornucopia on the wall so that the other church members can see what the younger generation is grateful for. Everybody had a great time including us staff and we believe that we came closer together as a youth community. We hope to continue these kinds of activities and gatherings to further strengthen our bond as 2nd generation and help create a warm, loving community.

Thank you Rev. Doo for your support! We were able to buy some healthy snacks such as fruits and juice. Here are some pictures we took of this night!

From, Youth Group Staff (Tora, Mikito, Silvia, Mia)
