WELCOME OUR NORTHEAST
BFM COORDINATOR

Landon Doroski

Hi everyone, I'm Landon Doroski, your new Northeast Blessed Family Ministry Coordinator. I'm a 2nd gen from Long Island, New York, and I was Blessed in 2017 in Korea with my wonderful wife, Monica, who's from Italy. Yup, we've got that international flair! In my role, my contributions will range from organizing educational programs to assisting with strategic planning for the matching and Blessing process, and supporting the local coordinators. The Blessing is such a precious gift, and no one should feel like they have to tackle this journey alone. When I'm not busy coordinating, you might find me enjoying a coffee date with my wife, gazing at a beautiful sunset on the beach, or getting my hands dirty in the garden. I also love taking care of our chickens—it's like having a mini farm! I'm really excited to work with all of

you and help make the Matching and Blessing experience as amazing as it can be. Let's make this journey together, ensuring everyone feels ready and excited to receive the Blessing. Looking forward to connecting with you all and making great things happen!
