

Family Church of New York City: Help Wanted for Sunday School!

Tanya Edwards
February 25, 2018

We are looking for a few people that can help volunteer to supervise toddlers (ages up to 6). We are planning to create a toddlers team to help supervise the kids during service. It doesn't have to be the same person each time- the team will work under a rotating system so that each person from can help one Sunday a month. If you are interested in helping, email thefcnyc@gmail.com so that we can put your name under the volunteers list. We hope to hear from you soon!
