22, April 1954

Dear Holy Persons
Christians
Any Other Religionists
Truth Researchers

Our association is ready to speak the following subjects any time at your request to any-body who is specially interested in truth, "Where Human-kind is Destined to go", un-known facts in the Bible, and new interpretation of the Bible, etc.

These subjects are based principally on Bible itself, and through holy souls in our group-men and women, who believe in our almighty God, new truth has been explored and found at the deep bosom of Heavenly Father who kept His Secrets for 6,000 years of human history and at this critical juncture of human-kind ruin could not help to reveal our holy souls in this group. Our members had been waiting for time of announcement of it to whole world.

Once you hear by accident even one of the subjects you will be inspired soon, and you will find yourself in Holy Spirit. We are spreading new truth to every person in the world by ordinance of the Lord, Father of human-kind.

DO NOT miss the chance to hear us while you stay in Korea.
New ideal world is approaching day by day awaiting the "Latter
Days" of the earth-final Judgement.

If you are a "Selected Person" of God you will have strange
signs in dreams or visions before or after one of our group meets
you and talk with you.

For your information, I will inform you our purposes

- a. Unification of world christianity.
- b. Unification of world religions
- c. announcement of practical ways to lead eternal
peace on earth.

Yours very truly

Hyo W. Rhyu
