### Grateful for You

*Thank you, thank you, thank you!*

We are so encouraged by your generous support during Giving Tuesday. It's because of your contributions that our students are able to get the resources and support they need to build the CARP chapters you know and love.

If you missed out on Giving Tuesday but still feel called to give, there's still time. Any contributions given through the end of the year (including Giving Tuesday) will go into our 2021 program budget supporting students and chapters nationwide.

As for our students, they will be closing out all of their meetings for the semester and moving into winter programming including workshops and leadership training. CARP Las Vegas and CARP Bay Area both hosted a final weekend workshop for this semester this past weekend!

Thank you, again, for supporting our incredible students. We couldn't do it without you!

### **CARP Bay Area hosts Thanksgiving UP Seminar**

CARP Bay Area also hosted their UP Seminar retreat over Thanksgiving weekend.

They had guest speaker, Rev. Kevin Thompson, give the presentations. He shared that everyone wants to be loved. The universal principles and laws surrounding relationships are never against us but for us. We simply need to acknowledge and learn these principles to adopt an attitude of always giving. We all want to be around those who give authentically, but we have to take the bold step of being that person first.

# Empower Students to Lead on Campus

Donate

Help Students **THRIVE** on Campus...

Students are navigating in uncertain and divisive times. They are trying to grow where there is confusion and misunderstanding on all sides. But, in CARP and the communities created in CARP chapters, they find the clarity they need. **Mia**, a CARP leader, found her voice and the passion to lead through CARP and the principles we stand for, like *“Live for the Sake of Others.”*

Your donation sponsors CARP chapter support to empower students to **BE BOLD**, in an often "gray," relativistic world. Your donations provide tools and trainings to help students to articulate their principles in life, like Mia did, so they can make a positive impact any place they go: at school, at home, with their families, at work, etc. Your investment in young people is an investment in the future.

Help students become principled leaders on college campuses. Make a difference to students by donating today.
