Giving Thanks

This year, our students have gone above and beyond. They are engaged, empowered, and fully prepared to end this year off strong.

Thanks to your support, we have leaders like [Michelle](#) and [Alicia](#) making waves on campus and changing their own lives for the better. If you'd like to see more of what we and our students and chapters were able to accomplish this year, check out our [2020-2021 Annual Report](#).

Thank you to everyone who participated in Giving Tuesday with us. Your contributions allow CARP to continue and its students to thrive. If you haven't given yet but would like to, there's still time! All donations given through the end of the year goes toward our 2022 Program fund that goes directly back to our chapters and students next year:
