Photo of the Blessing of Couples, a part of The Million Family March was organized by Minister Louis Farrakhan of the Nation of Islam and supported by Reverend Sun Myung Moon and FFWPU

My children helped me place stacks of Blessed Candies and FFWPU MFM flags all long the Mall from the Capitol to the Washington Monument.

They called it the Million Candy March.

We drove in a 24-foot truck up and down the dirt paths.

NOI [Nation of Islam] members watched over it all night and Blessed Members stood as Marshall's distributing them all morning.
