

UNIVERSAL PEACE FEDERATION

November 16, 2010

Dear

It is with great pleasure that we extend to you an invitation to attend a special World Assembly to be held on Monday, November 22, 2010, beginning at 7:00 PM, at the Manhattan Center in the heart of New York City. The program, entitled "The Establishment of the Era of Universal Peace: One Family Under God," will feature world class entertainment, inspirational speakers, and a keynote address from the Founder of UPF, Rev. Dr. Sun Myung Moon.

This program will underscore the principles and values that bind us together as one human family and guide us toward the fulfillment of the "hope of all ages," a unified world of peace. As we enter the holiday season and draw near the beginning of a new year, it is appropriate that we gather to reflect upon and re-commit ourselves to these universal principles and values.

Delegates from around the world will be in attendance, including government leaders, diplomats, religious leaders, academics and civil society leaders. We sincerely hope you will join us at the Manhattan Center on November 22.

In addition to the main program, you are also invited to participate in an International Leadership Conference that will take place at the New Yorker Hotel and Manhattan Center, beginning on the evening of November 21 until the morning of November 23. The draft schedule for the International Leadership Conference is attached.

We look forward to a favorable reply and hope to see you there.

Sincerely

James M. Gavin
President UPF-USA
Regional secretary General
