

Sign up to start a Project Connect Small Group

Greetings!

Spring is approaching! Time to brush off the winter cold, get outside, and connect with people! The LovinLIFE spring quarter begins April 10th!

If you would like to host a 10 week small group, just register your group by clicking below! Your local small group coordinator will be contacting you soon!

[Register your group!](#)

Project Connect Small Groups are groups to help people build relationships around a common interest or goal. An affinity group is one that is open and is designed around a specific hobby or activity, such as a biking group, a yoga group, or a performing arts group. A growth group is one designed around a 10 week curriculum designed to help people learn something together within a group, such as a bible study, a Divine Principle Study, or a financial success book group. The possibilities are endless!

Sincerely,
LovinLIFE Ministries
