1. Jesus' Message to Christians and to All people on Earth.

April 5th 2001.

- ...**Rev. Sun Myung Moon is the returning Messiah** for whom you have been waiting and waiting. He inherited my mission at the age of 16.
- Dear fellow Christians, fellow Buddhists, and believers of various religions! The 4 great religious founders, Jesus, Buddha, Confucius, and Mohammed, and saints such as Socrates, Augustne and others, have already held this seminar a number of times.
- Its theme is always the same: **“God is the Parent of All Humankind”**.
- During the seminars, **we are always studying the Divine Principle** revealed by Rev. Moon. We analyze and discuss **in depth...**

2. The Buddha's Message to Buddhists and Believers in Other Religions.

April 6th. 2018

- ... What I am trying to do is **to engraft** the fruit of Buddhists who were raised through my methods of spiritual cultivation.
- Please **study the Unification Principle**. You will find there a considerable number of truths that also flow through the teachings of Buddhism.
- Do not be immersed in old-fashioned ideas and concepts, but **by accepting the new truth, engraft it to the truth of Buddhism**.
- Then, I am sure that a wonderful passage of faith will open to you.
- In this age Rev. Sun Myung Moon **is the Buddha** for whom you have been waiting. **Do not reject the new Buddha... Do not reject his truth.**

3. Confucius' Message to Confucians and All People on Earth.

April 7th.2001

- ...We believe that through gatherings among the 4 great religious founders and other saints and sages, all power struggles among religions and denominations **will disappear**. Then the doors to the truth will open to all people from different backgrounds...
- There is only one Creator, who is God. **God is our Parent. If we attend Him all will be well.**
- **The unification of religions is therefore necessary**, and for this purpose God sent Rev. Sun Myung Moon to the Earth.
- There is only one truth. All of us have resolved that we will live with God, attending Him as our Parent. **Humankind is one people and one tribe.**
- Rev. Moon was sent **to attend only one God and teach His heavenly law.**

4. Mohammed's Message for Muslims and People on Earth.

April 9th. 2001

- ... God finally sent Rev. Sun Myung Moon for the purpose to unite all religions as one. The Unification Principle was revealed for the sake of the unification of all religions.
- **The only God wants that unification.**
- The possibility of world peace is remote without the unification of religions. The 4 major religious founders have united in one thought and idea. We personally experienced God who is rejoicing to see us at the same seminar. Through that experience, **we resolved to remain united as one.**
- Rev. Sun Myung Moon came to the Earth in order **to deliver God's will and to unite a divided and scattered humankind. He appears as the True Parent.**
- I hope that my followers will also accept him with a humble attitude.

**“The True Parents of
Humankind”**

**They are teaching
The Universal Truth of God
to unify all religions in the
World**
