Dear Cranes Club members,

Together with the European BFD, one of our Crane Club members, Rafael Guignard is organizing a Peace starts with me online WS from April 11th to 13th to create a vision for your life!

As a professional Life and performance coach, blessed for 15 years, father of 3 and local pastor he is sharing the personal development framework that helped him to find his right career path, develop the character and skills necessary to it and live in harmony with his spiritual and family life.

There is a Special offer Buy 1 access = Share 1 access to make it more affordable but also because going through the program with somebody else is powerful

so that you can share and hold each other accountable after the WS!

There is a special 20% discount to all registered Cranes Club members and we extend the registration until Friday April 10th at 18h!
